From

V. N. Rao, Esquire, M.A.,
Assistant Secretary to the Government of India,

To

All Minor Local Governments.

Subject:- Leave salary of Inferior Servants.

Sir,

It has been brought to the notice of the Government of India through a question in the Legislature that certain inferior servants have been wrongly deprived, for purposes of increments, of certain periods of leave during which they were allowed no leave salary owing to the application of Articles 147 and 321 Civil Service Regulations as directed in this department letter No. 7-C.S.R., dated 8th January 1923. These periods seem to have been treated as extraordinary leave without pay with the result that they were omitted in the calculation of increments under Fundamental Rule 26 (b).

It may be pointed out that the rate of leave salary actually received by an absentee under the operation of the restrictive orders referred to should not be taken into account in recording the leave granted to inferior servants but the account should be debited with the kind of leave granted irrespective of the leave salary.

All Controlling officers should be requested to take steps to scrutinise the records of service of inferior servants in order to ensure that entries of all periods erroneously treated as extraordinary leave are now revised and recorded under the correct nomenclature so that the periods may count for increments.

Please see your Endt. No. 7791/158-1928, dated 17-8-28 forwarding copies of certain correspondence on the subject of the entertainment of one Overseer and one Assistant Overseer in the Bowring and Lady Curzon Hospital. It seems from the wording of para 2 of the First Assistant Resident's letter No. 11204/164-1909, dated 17-12-1920 that the posts are menial and inferior. Proceedings No. 7773, dated 4-9-20 of the Hon'ble the Resident sanctioning the grant of local allowances may, it appears, give some clue as to whether these posts are superior or inferior. I would request that the files containing the Hon'ble the Resident's Proceedings 7773 dated 4-9-20 and the file containing the orders regarding the revision of menial establishment^{paid} from Contingencies may kindly be sent for reference and return. These orders are not available in this office as the files for the year 1920-21 were not brought from the Accountant-General's Office Madras.

Dated the 18th Octr. 1928.

Seen and returned with thanks.

The papers do not help to indicate whether the posts of Overseer and Assistant Overseer in the Bowring and Lady Curzon Hospitals on Rs.20/- & Rs.15/- respectively were intended, when they were created in 10/20, to be treated as superior for purposes of pension.

N. S. N. 119
164-09 In Resident's letter No.4039, dated 8-5-1922 to the Accountant-General, Madras, it was stated that as the pay of these appointments exceeds Rs.10/- they may be treated as superior under rules 2(13)&(17) of the Supplementary Rules. According to these rules they may be treated as superior for all purposes except pension. However if the intention, at the time of creating these posts, was that they should be treated as superior for all purposes there appears to be no objection to treating them as superior for pension also. On the other hand if the appointments were intended to be inferior at the time of their creation the Local Government, i.e., the Hon'ble the Resident, is competent to transfer the post of Overseer on Rs.20/- from the inferior to the superior class under and subject to the rule in 396(1) of the Civil Service Regulations. Whereas the transfer of the post of Asstt. Overseer on Rs.15/- from the inferior to the superior class can be done only by the Government of India under rule 396(2) of the Civil Service Regulations.

The leave salary of an inferior Government servant should not cause any extra expense to Government. If a substitute is appointed in the leave vacancy the leave salary of the Government servant would be only the difference between the pay of the post and the amount paid to the substitute.

(2) If a substitute is appointed; the leave salary of the Government servant should not exceed what remains from his pay after provision is made for the efficient discharge of his duties during the period of absence. If, however, in the resultant arrangements, a substitute who has no substantive appointment is given more than half the pay of the post in which he acts the Government servant proceeding on leave may be permitted to draw up to half the pay of the post as leave salary even though the sum total of the leave salary and the officiating servant's pay exceeds the pay of the post (Government of India, Finance Department Order No.7 C.S.R., dated 8-1-23 under Fundamental Rule ~~22~~ and C.S.R. Article 147 (iii)).

(3) While on leave on half or quarter average pay, the leave salary should not exceed half or quarter average pay and should further be restricted to the difference between the pay of the post and pay given to the substitute, if the latter is a substantive Government servant. If, however, the substitute has no substantive appointment, the Government servant proceeding on leave may be given leave salary upto half or quarter average pay, as the case may be, at the discretion of the head of the office.

(b) If the leave is not due the leave salary will be equal to half average pay subject to the restrictions specified in (a) (3) above.
